International Symposium

***Changing populations, changing needs:
Directions and models for community orientated
primary care***

**University of Kent
Canterbury, UK
15-16 September 2016**

**Symposium website for information, poster
abstract submissions & registration**

<http://www.icchnr.org/icchnr-symposium-2016/>

The overall aim of the symposium is to explore new models and ways of working for all nurses and other health and social care practitioners within a community orientated primary care context.

We have an exciting programme of international speakers who lead on research and development of innovative models of care

Confirmed speakers

- **Jos de Blok** (Buurtzorg organisation, Netherlands)
- **Ruta Valaitis** (McMaster University, Canada)
- **Maxine Jones** (NUKA model, NHS Tayside, Scotland)
- **Juan Carlos Contel** (Regional Health Council of Cataluña, Spain)
- **Vari Drennan** (Kingston and St Georges University London, England)
- **Alison Leary** (London South Bank University, England)
- **Catherine Evans** (Sussex Community NHS Trust, Kings College London, England)
- **Fiona O'Neill** (National Institute of Health Research, England)
- **Jenny Billings** (University of Kent, England)
- **David Gilbert** (Patient Director, Sussex Musculoskeletal Partnership (Central), England)
- **Jane Ball** (Southampton University, England)
- **John Ribchester** (Whitstable Medical Practice, England)
- **Cagri Kalaca** (European Forum for Primary Care, Turkey)
