

# Welcome to **NATS!**

## Postgraduate-Taught Welcome Pack

### Welcome information and timetable.

University of  
**Kent**

Division of  
Natural Sciences

#### Welcome to our Postgraduate Community

Dive into a world of discovery and innovation within the Division of Natural Sciences. As postgraduates, you are the driving force behind cutting-edge research and transformative ideas. Together, let's explore the uncharted realms of science and make a lasting impact on the world. Your journey starts here!

#### University-Wide Events

Check out what else is going on during Welcome Week by heading over to the [Central Calendar](#)!

*Need to Find a Room? Use the [Campus Map](#)*

*Learn About Your Student Union - [Kent Union](#)*

*Get Familiar with the [Graduate and Researcher College](#)*

# Your Postgrad Welcome Week Timetable

	Tuesday 19	Wednesday 20	Thursday 21	Friday 22
11:00-12:00				
12:00-13:00			Cookies & Fizz Social (NATS Marquee)	Infectious Diseases Programme Induction (Chipperfield Lecture Theatre)
13:00-14:00	Biosciences Lab Induction (Stacey Labs)	Biosciences School Induction (Templeman Lecture Theatre)		Biotechnology & Bioengineering Programme Induction (Chipperfield Lecture Theatre)
14:00-15:00				Forensic Science Programme Induction (Kennedy Seminar Room 8)
15:00-16:00				Biomedicine Programme Induction (Chipperfield Lecture Theatre)
16:00-17:00

# Your Postgrad Welcome Week Timetable

Event	Description	Location
Biosciences PGT Lab Induction	<p>Join us for an essential Biosciences Lab Induction, designed to introduce you to the cutting-edge facilities and protocols that will be the cornerstone of your scientific journey. Discover the intricacies of lab safety, equipment operation, and experimental techniques under the guidance of experienced faculty. This induction is your passport to unlocking the world of hands-on exploration and discovery in the field of biosciences. Let's embark on this exciting scientific venture together!</p> <p>Please note: This Induction is designed for students joining us on a School of Biosciences Postgraduate Taught Programme.</p>	<a href="#"><u>Stacey Labs</u></a>
Biosciences School Induction	<p>The Biosciences School Induction is where your postgraduate academic journey takes root. Join us to explore the diverse realms of life sciences, delve into your course structure, and meet the faculty and fellow students who will accompany you on this educational adventure. Uncover the possibilities of research, learning, and personal growth that await you in the captivating world of biosciences. Your journey starts here, and we're thrilled to guide you toward a future of scientific exploration and discovery.</p> <p>Please note: This Induction is designed for students joining us on a School of Biosciences Postgraduate-Taught Programme.</p>	<a href="#"><u>Templeman Lecture Theatre</u></a>
Forensic Science Programme Induction	<p>Engage with experienced faculty, explore your course structure, and connect with fellow students who share your passion for scientific inquiry. This induction marks the beginning of an exciting journey, where you'll uncover the elements of discovery and analysis that define these fields. Your scientific odyssey starts here, and we're thrilled to be your guides here at Kent.</p> <p>Please note: This induction is designed for students joining us on a School of Chemistry &amp; Forensic Science Postgraduate-Taught Programme.</p>	<a href="#"><u>Kennedy Seminar Room 8</u></a>
Cookies & Fizz Social Event	<p>Join us for a delightful afternoon of delectable cookies and sparkling beverages! This is a great chance to mingle with your cohort as well as fellow freshers in the Division of Natural Sciences. This will also be an opportunity for you to pick up your School Lanyards!</p>	<a href="#"><u>NATS Marquee (Outside on the Stacey Lawn)</u></a>

# Your Postgrad Welcome Week Timetable

Event	Description	Location
Infectious Diseases Programme Induction	Join us for an informative and engaging Infectious Diseases Programme Induction. Discover the world of pathogens, prevention strategies, and cutting-edge research as we kickstart this educational journey together.	<a href="#"><u>Chipperfield Lecture Theatre</u></a>
Biotechnology & Bioengineering Programme Induction	Embark on an exciting journey into the realm of Biotechnology & Bioengineering. Explore the fusion of science and innovation, unravel the potential of genetic manipulation, and engineer the future with us at the Programme Induction event	<a href="#"><u>Chipperfield Lecture Theatre</u></a>
Reproductive Medicine: Science and Ethics Programme Induction	Step into the world of Reproductive Medicine and unlock the mysteries of human life's beginnings. Join us for this Programme Induction, where we'll explore advancements in fertility, reproductive technologies, that shape the future of reproductive care.	<a href="#"><u>Chipperfield Lecture Theatre</u></a>
Biomedicine	Start on a transformative journey into the realm of Biomedicine. Join us for this Programme Induction and explore the frontiers of medical research, unravel intricate cellular processes, and discover how innovation in biomedicine is shaping the future of healthcare.	<a href="#"><u>Chipperfield Lecture Theatre</u></a>
