

Porto, 16-17 November 2012

**TEEME Erasmus Mundus Joint Doctorate  
First Annual Conference  
Presenting the Past:  
Exploring the Relationship  
between Text and Event in Early Modern Europe**

Records and memories of the past are both shaped and echoed by contemporary discourse. Texts and events of Early Modern Europe continue to find meaning and relevance in the 21st century. Drawing on work from multiple disciplines – History, Literature, Philosophy, Cultural Studies, and Cognitive Linguistics – this conference will provide a fresh look at how we think and talk about the past.

**Keynote Lecture: Prof. Bernhard Klein, University of Kent  
"Sea-birds at the Cape of Storms, 1497"**

Venue: Anfiteatro Nobre, Faculdade de Letras da Universidade do Porto (FLUP)  
Via Panorâmica, 4150-564 Porto  
Friday, November 16, 9:30-18:00 and Saturday, November 17, 9:00-13:00
