

WORK PLACEMENT OPPORTUNITIES

PROJECT NAME	DATES/TIMES	DESCRIPTION OF ROLE	OTHER NOTES	HOW TO APPLY
<u>Herne Bay Festival Lantern Parade</u>  	ART WORKSHOPS Monday 15 August, 10am - 4pm (set-up at 9.30am) Tuesday 6 august, 10am - 4pm (set-up at 9.30am) Thursday 18 august, 10am - 4pm (set-up at 9.30am) Saturday 20 august, 10am - 3pm (set-up at 10.30am) <i>(optional)</i> STREET PARADE IN HERNE BAY! Saturday 20 August 7-10pm	Join the artist team to work with children and families across Herne Bay as they create a spectacular artworks and costumes for a street parade in Herne Bay this summer! With a full programme of art workshops, we are seeking creative individuals who can help the participants to realise their creative ideas. Inspired by the Rio Olympics, the night-time street parade will be glowing with lights, full of colour and flamboyant in style! <u>You will need to be:</u> • Creative and confident to make things (with guidance and support) • Interested in community arts • Friendly and willing to work with children and adults to support their creativity. • Keen to work with professional artists • Seek experience for your own career • Reliable and punctual	This is a voluntary position, but full of experience and lots of fun! The placement take place in Herne Bay. We can reimburse travel costs to get to/from the venue. We are ideally seeking 1-2 people who can commit to all dates, so that we build a strong team and get to know you properly! However, we are open to offers of support for individual dates too. Useful links: http://www.animateartscompany.com/portfolio/what-we-do/ http://www.hernebayfestival.com/	Please email us: • your CV • short expression of interest • your availability (from dates provided) TO: Jo Dyer (Artistic Director) on email@animatecommunityarts.com BY: Friday 12 August 2016

INSPIRAR A cardboard Favela exhibition   	Friday 26 August (all day) (OPTIONAL) Sat 27 & Sun 28 August	<u>INSTALLATION TEAM</u> Inspirar is a cardboard installation made by school children and professional artists from Animate Arts. There are over 330 individually hand-crafted houses that stack together to make an extraordinary model city inspired by Rio De Janerio's favela community. The exhibition has been on display in the flagship Kaledioscope Art Gallery and will be coming to bOing! Festival for a 2-day show. We are seeking extra hands to help us install the artwork in the Jarman Gallery at UKC Canterbury. There is also the opportunity to invigilate this exhibition, offering an opportunity for individuals to work with the general public to engage with visual arts. <u>You will need to be:</u> • Creative and a problem-solver (imagine stacking boxes on top of each other without them toppling over!) • Hard-working, happy and able to lift/carry/build cardboard structures! • Enjoys working on a team and with creatives • Interested in visual arts, exhibitions and festivals • Friendly and enjoys working with creatives. • Seeking experience for your own career • Reliable and punctual	This is a voluntary position, but full of experience and lots of fun! The placement take place at UKC, Canterbury campus. We can reimburse travel costs to get to/from the venue. We are ideally people who can commit to either the installation or delivery dates – or both! However, we are open to offers of support for individual dates too. Useful links: http://www.animateartscompany.com/portfolio/what-we-do/ http://www.boingfestival.com	Please email us: • your CV • short expression of interest • your availability (from dates provided) TO: Jo Dyer (Artistic Director) on email@animatecommunityarts.com BY: Friday 22 August 2016

HOME TOWN A cardboard neighbourhood <i>(An interactive art installation at bOing! Festival 2016)</i> 	Thursday 25 August (all day)	<u>INSTALLATION TEAM</u> This is an exciting behind-the-scenes opportunity to work alongside the artist team for HOME TOWN. Over two days, we will install 9 x cardboard houses, a paper post office and estate agent as part of a playful and unique art installation for the children's theatre festival – bOing! We are seeking individuals who are: • Hard-working, happy and able to lift/carry/build cardboard structures! • Enjoys working on a team, particularly on productions that sometimes requires problem-solving and thinking on your feet! • Interested in participatory arts and festivals • Friendly and enjoys working with creatives. • Seeking experience for your own career • Reliable and punctual	This is a voluntary position, but full of experience and lots of fun! The placement take place at UKC, Canterbury campus. We can reimburse travel costs to get to/from the venue. We are ideally people who can commit to either the installation or delivery dates – or both! However, we are open to offers of support for individual dates too. Useful links: http://www.animateartscompany.com/portfolio/what-we-do/ http://www.boingfestival.com	Please email us: • your CV • short expression of interest • your availability (from dates provided) TO: Jo Dyer (Artistic Director) on email@animatecommunityarts.com BY: Friday 22 August 2016
	Friday 26 August (all day)			
	Sat 27 August Sun 28 August (9-6pm)	<u>DELIVERY TEAM</u> With such a large scale installation that aims to be a playful, interactive artwork to the general public of bOing! Festival, we are seeking extra team members to help us engage audiences with the work. This opportunity is ideal for individuals who want to explore their performing art skills, working with the public (of all ages but particularly children) and 'stage hands' to ensure the installation is in working order, safe and inspiring throughout the festival. We are seeking individuals who are: • Creative (either in performing arts or visual arts) • Enjoys talking and working with the public, and children. • Hard-working, happy and friendly. • Enjoys working on a team, particularly on productions that sometimes requires		

		problem-solving and thinking on your feet! • Interested in participatory arts and festivals • Seeking experience for your own career • Reliable and punctual
