Ask NEXUS when you have questions

Engagement Support and Programme Admin teams sit alongside each Nexus Information Desk in three central locations.

Visit any Nexus desk when you have questions or need to speak to someone.

You can contact online, call, drop-in or visit by appointment as needed.

Attendance and Engagement

It is important that you **fully engage with your studies and attend all teaching activity from the start**. We check your in-person attendance every couple of weeks across each teaching term. If we see a pattern of low attendance or other engagement, we will check-in to see how we can help.

If you are contacted about your attendance, please:

1. Start attending (and continue to engage on Moodle, etc).
2. Log your attendance on **Presto** or self-report if you need to be absent.
3. Speak to your Academic Adviser or the Engagement Support team.

Unfortunately, if you are not attending in-person teaching then it may get to the point where you will not be able to continue your studies (but we want to help before it gets to that point).

Late Submission Policy

If you miss a deadline and need a bit more time ...

**up to 24 hours late
max mark is 60**

Where the assignment is submitted **within 24 hours** of the published deadline, the mark recorded for the piece of work may not exceed the mark of 60;

**up to 48 hours late
max mark is pass**

Where the work is submitted **within 48 hours** of the published deadline, the mark to be recorded for the piece of work will be capped at the pass mark for the module;

**more than 48 hours
mark is zero**

Where work is **more than 48 hours** after the published deadline a mark of zero will be recorded.

OR you can request an extension to the deadline without any mark penalty if they have extenuating circumstances that are eligible for mitigation.

Support for Extenuating Circumstances

If you are struggling to attend teaching or if you are struggling to submit your work in time, then please contact the Engagement Support team.

Lots of things can make it difficult to do your best and fully engage with your studies. Whatever the situation, contact the team when things first happen, so that we can help. You can email, call, drop-in or visit by appointment as needed.

Email: EngagementSupport@kent.ac.uk

Visit: Ask for the team at any of the three Nexus desks if you need to speak to someone about personal circumstances or if you need advice about your options.
