On this and the following page appears an alphabetical index to the titles of all features listed in this week's Release Chart, with additional information for the exhibitor.

Following the title is information regarding the classification of the subject matter of the feature. A comedy is denoted by the abbreviation Com.; Melodrama by Mel.; Comedy-Melodrama by Com-Mel.; Musical by Mus.; Musical Comedy by Mus-Com.; Western by West. If the production is made in color, the letter "C" appears in parentheses after the classification. Thus: Col-Mel (C) denotes a Comedy-Melodrama in Color.

At the extreme right of the line containing the title of the production is the name of the distributor.
