

Opening Doors

Everything You Need to Know Before You Go

This session is for care-experienced young people considering starting university in autumn 2024, and their carers.

- Prepare for a smooth transition to university life.
- Gain insights from care-experienced students on preparing for and starting Higher Education.
- Explore the opportunities and support networks tailored for care-experienced students at university.

Date

Wednesday 11 September

10:00 - 11:30
