

January 2024 Welcome Week Programme

This is a provisional programme and is subject to change.

Welcome Week is an exciting and important time when you have the opportunity to interact with your fellow students and the Paris staff before your modules begin, complete essential orientation activities, and formally register with the University. Attending these sessions will ensure a successful start to your time ahead in Paris and with the University of Kent.

Please note that all induction activities will be at [Reid Hall](#) (4 rue de Chevreuse, 75006 Paris) unless otherwise stated. You are always welcome to get in touch at paris@kent.ac.uk if you have any questions. CityMapper is a useful app to download to help navigate your way around the city!
