

Start Right

Registration

You must be registered to become a member of the University. Look out for your 'How to enrol' email in your applicant portal in-tray.

Please complete these tasks before you arrive.

Information Technology

You need to activate your Kent IT Account before you can use it: if you have not set your password yet, then please [activate it here](#).

Get to know the Library

Work your way around around the Templeman Library and you'll soon get to know what's what, and where's where!

Student Support

We will do everything to make your time at the university a positive experience. We are committed to improving access to learning and provide a wide range of support.

Moodle

Moodle is the University of Kent's Virtual Learning Environment (VLE). All taught modules can use Moodle for online teaching resources and interactive activities.

Student Voice

We are committed to maintaining and evolving an open and welcoming environment where we work together to enhance your student experience.

We are keen to listen to our students' ideas and opinions and to receive student input and feedback.
