Join us on Wednesday 24th March 1 – 2:30pm...

As we take you through what makes a good application and how to present your best self during an interview or Assessment Centre.

You'll also get the chance to hear from two of our Early in Career community:

- Freya Pearson, Surface Specialist Intern
- And Jaideep Nagpal, Graduate Customer Success Account Manager

Who will share their journey into Microsoft and their perspective on what made them a successful candidate when in their pursuit for a career in technology!

This is not one to be missed, and as always, questions are welcome! Sign up <https://aka.ms/AA9ngaz>

<https://aka.ms/AAbk1sg>

Join us on Wednesday 31st March 1-2pm

The job market is becoming increasingly competitive and graduate jobs are no exception! Come along to this insight session, to learn how earning Microsoft certifications (especially before graduation) can get you ahead of the curve and prepare you for a career in technology and beyond.

You'll also get the chance to hear from Rupa Suresh, Graduate Customer Engineer and Mark Oburoh, Senior Partner Technical Architect on how they feel certifications have helped excel their careers.

This is not one to be missed, be sure to come with questions! Sign up <https://aka.ms/AAbk1sg>

See you There!
