
THE EMBODYING PEACE FELLOWSHIP

A three-month virtual study and internship program supporting peacebuilding in Israel-Palestine.

- **Build a network** via group study of our unique curriculum.
- **Participate in exclusive webinars** with leading scholars, activists, and professionals in the peacebuilding field.
- **Produce articles** for our digital publication, Fieldbuilding.org.
- **Intern remotely** with leading NGOs for three or six months.
- **Gain nonprofit skills:** grant writing, social media, copy writing and more.

Apply by December 31, 2021

<https://embodyingpeace.org/apply-today/>

**Fellowship begins on
January 23, 2022**

Embodying Peace is a flagship program of Amal-Tikva, a collaborative initiative that brings together philanthropists, field experts, organizations and activists to support civil society peacebuilding between Israelis and Palestinians.

"Not only does the fellowship offer valuable professional ties and entry-points to Israel/Palestine peacebuilding, it also means becoming part of an inspiring network of like-minded individuals from around the world dedicated to peace and understanding."
