Advanced Assessment Skills and Training for Community Pharmacists

3-Day training course to enhance your role as a Community Pharmacist

Programme Summary

HEE London and South East have developed a free programme for 120 community pharmacists who work in North, Central or East London, as well as Kent, Surrey or Sussex. The programme is to further develop the capability of community pharmacists to support urgent and emergency care pathways both out of hours and in day to day practice.

Programme Dates: 3 full days (weekends & weekdays) from January to March 2018. Exact dates overleaf.

Who is the programme for? This programme is for any community pharmacist working in North, Central or East London, as well as Kent, Surrey or Sussex

What will I be expected to do?
You will be expected to attend the 3-day advanced assessment skills training course, delivered by Practitioner Development UK Ltd

Before being offered a place on the course and to ensure you gain maximum benefit from it, you must have completed the following CPPE e-learning and assessment packages:

1. Consultation Skills
2. Safeguarding Level 2
3. Urgent Care Distance Learning

Is there funding available for participants?
The course is NHS funded and offered for free to participants who work in North, Central or East London, as well as Kent, Surrey or Sussex. An honorarium will not be provided.

Advanced Assessment Skills—3 Day Programme
Day 1: Minor illness triage and sepsis essentials
Day 2: Respiratory and ENT assessment
Day 3: Acute dermatological complaints and acute asthma presentations

How do I enrol?
To enrol onto the programme, please complete the expression of interest form at the following link by midnight on Sunday 7th Jan 2018.

CLICK HERE FOR EXPRESSION OF INTEREST FORM

We will be in touch shortly after the deadline to confirm your place, and to request the three compulsory CPPE programme certificates.

The three CPPE programmes must be completed before attending your first assessment skills workshop in January.
