## International Symposium

***Changing populations, changing needs:  
Directions and models for community  
orientated primary care***

**University of Kent  
Canterbury, UK  
15-16 September 2016**

**Symposium website for information, poster  
abstract submissions & registration**

**<http://www.icchnr.org/icchnr-symposium-2016/>**

*The overall aim of the symposium is to explore new models and ways of working for all nurses and other health and social care practitioners within a community orientated primary care context.*

We have an exciting programme of international speakers who lead on research and development of innovative models of care

## Confirmed speakers

- **Jos de Blok** (Buurtzorg organisation, Netherlands)
- **Ruta Valaitis** (McMasters University, Canada)
- **Maxine Jones** (NUKA model, NHS Tayside, Scotland)
- **Juan Carlos Contel** (Regional Health Council of Cataluña, Spain)
- **Vari Drennan** (Kingston and St Georges University London, England)
- **Alison Leary** (London South Bank University, England)
- **Catherine Evans** (Kings College London, England)
