

## Start Right

### Registration

You must be registered to become a member of the University. Look out for your 'How to enrol' email in your applicant portal in-tray.

Please complete these tasks before you arrive.

### Information Technology

You need to activate your Kent IT Account before you can use it: if you have not set your password yet, then please [activate it here](#)

### Get to know the Library

Work your way around around the Templeman Library and you'll soon get to know what's what, and where's where!

### Student Support

We will do everything to make your time at the university a positive experience. We are committed to improving access to learning and provide a wide range of support.

### Moodle

Moodle is the University of Kent's Virtual Learning Environment (VLE). All taught modules can use Moodle for online teaching resources and interactive activities.
