

We are conducting a survey on cyber security awareness at the University. We are trying to get an understanding of your training needs and preferences. We hope to use this information to build the most suitable cyber security awareness program for the university students and staff that address exactly what you need.

It's completely anonymous and will only take a few minutes.

Your participation would be very helpful and much appreciated.

Just click on the following link to get started and please share it with your colleagues:
