

Are you interested in Virtual Reality?

Researchers at the University of Kent would like to invite you to take part in a Virtual Reality experiment designed as part of the SOCORRO project exploring corrosion. The experiment intends to evaluate VR user experiences of an animated underwater environment where corrosion occurs.

Session:

A Virtual Reality experience followed by user feedback questionnaire and interview

Location:

University of Kent

Duration:

Approximately 30 mins

Incentive:

To thank you for your time and contribution, we offer a £10 Amazon voucher.

For more details, please read the Participant Information Sheet attached. If you have any questions or would like to book a session, please contact Ayda via A.Majd-Ardekani@kent.ac.uk.
