**BELONG AND GROW WEEK**

**“it’s your BAG”**

18-22 May 2020

Our plans for BAG week 2020 have changed in line with the current situation and the need to stay safe. Although we are not able to have face to face sessions during the week, we want to encourage you to take time during week commencing 18 May for your personal development and wellbeing, so we have redesigned ‘BAG’ week to feature remote sessions.

All of this year’s virtual events will be held by Zoom, Teams, or webinar. Please view the details of each event and book the ones you would like to attend through Staff Connect. Search ‘BAG’ in Staff Connect. You will then receive a link to the event a couple of days before the scheduled date.

We also have webinars and Blogs that you can view at your leisure throughout the week – details are below and the links to these will be added to our blog. This will be updated with all the latest information and details of how you can access events.

This event has been organised by Learning & Organisational Development, in conjunction with external providers, members of staff and students.

If you have any questions, please email: LDev@kent.ac.uk

**Bookable events to be held virtually. Please book these through Staff Connect:**
