

BUSINESS START-UP JOURNEY 2016/17

PERSONAL DEVELOPMENT PLAN

Student name

Business name

Areas to consider:

What are the key relationships that will be important for success in this enterprise?

What additional knowledge and understanding will you need?

With whom, and how, will you mostly be communicating?

What personal pressures will this role impose on you?

What skills do you require which you feel are currently lacking?

SMART your objectives – Specific, Measurable, Attainable, Relevant, Time-based

Development objective	Blockers and how they will be removed	Support required	Support provided by	How will I know when I have achieved the objective
