

NIK GOWING

THINKING THE UNTHINKABLE:

BREXIT? TRUMP? MIGRATION? RUSSIA? WHY LEADERS HAVE LOST THE PLOT ON MULTIPLE ISSUES

Nik is a former BBC World News journalist and Visiting Professor at King's College London and Nanyang Technological University Singapore, and will be presenting new research evidence from the past two years on why the top levels in government and corporations fail to anticipate and manage crises.

Using evidence collated from thousands of pages of transcripts from interviews before Brexit and the political impact of Trump, Nik reveals why leaders struggle to identify and adapt to the new, fast-changing and ill-defined 'normal'.
