

# ***Enabling you to realise your potential: expectations of you and the School***

## **Students will:**

1. Attend and engage with all online sessions (e-lectures and workshops) as well as physical labs, unless there is an exceptional circumstance.
2. Complete the "pre-arrivals" material ahead of your lecture.
3. Make your voice heard and use course reps to feedback.
4. Read your emails regularly and respond to and act upon in a timely manner.
5. Embrace this opportunity to learn, get support and build a great future.

## **We all will:**

1. Demonstrate respect, consideration and kindness
2. Communicate and engage
3. Try our best

## **The School will:**

1. Recognise the value and potential of all students
2. Clearly communicate with you about your learning journey and listen to and act on your feedback.
3. Work hard to make your blended learning experience engaging and exciting.
4. Support you in all aspects of the university experience – wellbeing, careers and academic.
5. Be open and honest with you.
