

< KENT COMPUTER DRIVE >

Books2Africa is organising the Kent Computer Drive to collect donations of laptops and desktops to be refurbished and shipped to students and teachers in Africa.

Books2Africa is a Canterbury-based UK registered charity (**1152599**) and a charity in Special Consultative Status with the UN ECOSOC that is committed to improving the quality of education in Africa. The charity is also a Microsoft Third Party Refurbisher (TPR). This means all the data on your donated computers and devices are securely wiped by our Tech Refurbishing Team in Canterbury through a refurbishment and reformatting process using agency-approved and validated overwriting technologies, methods and tools. You also receive an electronic Certificate of Data Wipe (CODW) when your devices are processed for GDPR compliance.

- ✓ We accept new or used, laptops, desktops, tablets, smart phones & more.
- ✓ Package your devices into boxes and go online to arrange a free collection or drop-off within Kent at books2africa.org/kentcomputerdrive or contact us: info@books2africa.org or 01227392239.
